

# St. John's College High School Landivar Scholarship

### What is the Landivar Scholarship Program?

Each school year, income from the Landivar Scholarship Fund is used to provide assistance to students who qualify for financial aid. The Landivar Scholarship Fund, established in the 1950s, assists needy and qualified students through the program each year. In return for the assistance received from the College, students who are awarded Landivar Scholarships are expected to make a commitment of service by carrying out specific duties assigned by the Vice-Principal for Student Affairs and are supervised by designated faculty supervisors. Such service may include providing assistance as student assistants in one of the school offices, including: the Principal's Office, the Student Affairs Office, the Student Services Office, **other office that might be assigned.** 

Students must maintain the minimum of a **2.5 G.P.A**. in school year work and complete a minimum of ten (5) hours assistance at assigned campus locations each week. These hours will be documented on a general time sheet, which is signed by both student and supervisor at each session.

Students must apply every year because a task appraisal will be done at the middle and at the end of the year by location supervisors. The evaluations are reviewed by the Financial Aid Committee at these times. Students must adhere to the Student Code of Conduct of the College as outlined in the Student Handbook. Students who are placed on suspension for disciplinary issues risk losing the award. The ultimate decision will be made by the Financial Aid Committee. Please note that failure to adhere to a scheduled time can result in financial consequences. Students must be professional at all times, especially when doing their assigned projects.

Only students who have been accepted into St. John's College High School will be considered for a Landivar Scholarship.

#### Who qualifies for the Landivar Scholarship Program?

The Landivar Scholarship may be approved to cover a portion of the cost of approximately \$800.00 annually for any student. The Landivar Scholarship is based on academic merit <u>and</u> financial need. To qualify for this scholarship, students must have a minimum GPA of 2.5 and must provide evidence of financial need (e.g., income tax TD4 forms from parents or guardians). Students who are awarded Landivar Scholarships **must apply each year** and must continue to meet the academic merit and financial need criteria in order to retain their Landivar Scholarship each semester.

Note: Students who receive substantial financial aid from another source may have his application denied by the Financial Aid Committee after submission.

#### **Application Process**

Students interested in applying for a Landivar Scholarship are to complete the application form and submit it along with the supporting documentation and a personal statement to:

Financial Aid Committee
High School Office
St. John's College
Monday to Friday: 7:30 a.m. to 5:00 p.m.

**Application Deadline:** 

July 14, 2023

**SECTION I - PERSONAL DATA** 

## St. John's College High School Landivar Scholarship Application Form

Instructions: Complete all sections and submit to the Office of the Headmaster at St. John's College High School.
