

St. John's College High School Mary O'Connor Scholarship

What is the Mary O'Connor Scholarship Program?

Each school year, income from the Mary O'Connor Scholarship Sponsorship Fund is used to provide assistance to students who qualify for financial aid. The Mary O'Connor Scholarship Sponsorship Fund assists needy and qualified students through the program each year.

Students must maintain the minimum of a **2.5 G.P.A.** in school year work and pass all core subjects. Additionally, students' academic performance and disciplinary record will be evaluated at the end of the first semester and the end of the second semester in order to determine whether the scholarship will be renewed.

Students are required to attend an after-school tutoring program four times a week as indicated by the Principal of the High School. Parents of these students are required to attend meetings called by the administration, pick up mid and end of semester report cards. Parents must also visit the school regularly to check on the academic and disciplinary progress of the enrolled student. The evaluations are reviewed by the Financial Aid Committee at these times. Students must adhere to the Student Code of Conduct of the College as outlined in the Student Handbook. Students who are placed on suspension for disciplinary issues risk losing the award. The ultimate decision will be made by the Financial Aid Committee.

Who qualifies for the Mary O'Connor Scholarship Program?

The Mary O'Connor Scholarship may be approved to cover 100% of tuition and fees for a full-time student. The Mary O'Connor Scholarship is based on academic merit **and** financial need. To qualify for this scholarship, students must have a minimum GPA of 2.5 and must provide evidence of financial need (e.g., income tax TD4 forms from parents or guardians). Students who are awarded Mary O'Connor Scholarships **must apply each year** and must continue to meet the academic merit and financial need criteria in order to retain their Scholarship each year.

Note: Students who receive substantial financial aid from another source may have his/her application denied by the Financial Aid Committee after submission.
